LC 3	Brooke McLaren	Miss Mc Laren	Brooke.McLaren@education.vic.gov.au

Please communicate with your child's teacher through the Communication and Learning Progress Diary unless the information is private and confidential.

English

This year we are implementing The Phonics Plus Program, a mandatory program across all Victorian classrooms. This program provides schools with a comprehensive approach to teaching reading using the evidence-based systematic synthetic phonics approach. Sessions 1 and 2 of each day will begin with this program, Ms. M will be teaching year 1 students and Miss McLaren will teach year 2 students.

Further information can be found: <https://www.premier.vic.gov.au/new-phonics-plus-program-education-state>

Daily Review

Foundation

Read and spell explicitly taught GPC code, b, h, l, j, w, v

English: How you can help your child at home:

- Practice learning all the letters of the alphabet and the sounds they make.
- Practice reading their high frequency words to you each night.
- Listen to your child read texts aloud by decoding words.
- After reading, ask them what happened in the beginning, middle and end of the text.

Maths

Foundation

Measurement- Time (days of the week, weekdays/weekends, first, next, last).

Year 1

Measurement - length measuring with informal units

Year 2

Measurement - length measuring with informal units

Maths: How you can help your child at home:

- Practise counting forwards 1-20 and backwards 20-1 (end of Foundation)
- Practise counting forwards 1 – 120 and backwards 120 – 1 (end of Year 1)
- Give your child a two or three - digit number and ask how many hundreds, tens, and ones.
- Practise plotting numbers on a number line.
- Learn the friends of 10 e.g. 6 and ? make 10, 3 and ? make 10

Inquiry

This term we will cover:

Foundation

- Where we live: Place

Years 1 & 2

- Ready to Raw

Inquiry: How you can help your child at home:

- Reflect on how we can look after our environment.
- Discuss what the meaning of sustainability is.
- Discuss how you implement this at home eg using the food scraps to make compost, recycling, reusing.
